## PRESIDENT'S LETTER

January 2018

Dear Members,

With each new year, I like to reflect on all of the blessings in my life, which not only makes me thankful for the country that I live in and the people I am surrounded by, but also makes it easier to see any new challenges as opportunities instead. With that said, I am looking forward to this great opportunity of serving our club in a new capacity and continuing our purpose of education and development.

A few things that I can tell you about myself are that I am a middle child with an older sister and a younger brother. I was born in Illinois where my dad farmed in the family business, until we moved to Oklahoma when I was 10 years old. I developed a love for music and singing from my mom, a hard-work ethic from my dad, and an attitude of putting others before myself from both. I grew up in Owasso where I graduated high school, met my husband Wade, and went on to college to study accounting and business. My husband and I will celebrate 25 years this October, have two beautiful daughters (both married), a wonderful son, a new grandson, and twin grandbabies on the way!

I have worked in oil and gas accounting my entire career, and have come to find how important education is and how it has helped me serve my company better over the years. As we look at each of the roles that we have, may we always strive to better ourselves through education, experiences, and serving others. My theme this year will be "Energy with a Purpose", by learning more about the different sources and uses of energy, how our society would function without it, and using that knowledge to inform others. Here's to another great year!

*Dorothy Lenhart,*

Happy New Year! The 2018 ADDC board is excited to serve our membership this year.

As you will notice, we are not staying with the formal format of our letters, including the Regional Directors. We have decided to spice things up and have Regional Directors mention events, member profiles or any upcoming events in the area. Keep members aware of what is happening in the Region. We hope you will enjoy the change, as we really wanted to express more of our members and club activities. If you have information to share, please reach out to your Regional Director, we would like to hear from you.

The final mail votes are in, and both proposals have been passed by 2/3 vote. In 2019 the regional realignment will be implemented, and the position of Vice President eliminated. The 2018 board will help lead you through the changes and implantation in 2018. Budget and Planning will be taking place in Tulsa, Oklahoma January 19th and 20th, 2018. We will also be hearing from the audit committee and planning our upcoming year and future years as well. My mandate is to reach a zero budget this year, and the restructuring will also help the longevity of this great Association.

The current Board for this year are: Carrie Harmon, Region I; Beth Etzkorn, Region II; Carol Schiavone, Region III; Sue Weaver, Region IV; Andrea McGarrath, Region V; Casi Nicholas, Region VI; Tracy Fillmore, Region VII; Wendy Sparks, Treasurer; Evelyn Green, Secretary & Executive Assistant; Keith Atkins, Vice President; Terry Ligon, President Elect; Maggi Franks, Immediate Past President; and Marilyn Carter, Parliamentarian

I would also like to thank all the committee chairmen for stepping up this year as well. We have a dynamic team. Wayne Ammons will be filling the position of ADO Manager and Webmaster.

I am challenging membership to think outside the box. What do I mean by that? Is there some way you can promote our Association? Is there a way you can help on a committee? Volunteer for an event? Step up? The more hands to help, lightens the load. Please know that I am reachable at any time with questions, comments or concerns you wish to express. That is my commitment this year!

I wish everyone a Happy New Year! Thank you for allowing me to serve as your 2018 ADDC President.

Christina Forth

Hello Region VI!

Happy New Year! I hope this letter finds you well and excitedly awaiting a fantastic year for ADDC! I am honored to be serving as your 2018 Region Director and cannot wait to see what we can achieve together. Take the time to check out the left column to familiarize yourself with the Presidents of Region VI for 2018.

Go ahead and save the date for the Region VI Meeting scheduled for April 26-28 in Wichita!

The first of the changes you will see this year is the RD letters. Instead of the regular letter you have seen, we will be focusing on a member each month. I hope by doing this, you will get to know members throughout your region. If you would like to nominate someone, be sure to reach out to me! I am going to start January by telling you a little bit about myself!

**Name:** Casi Nichols  
**Current City:** Ringwood, OK  
**Home Club:** Enid, OK  
**Office(s) Serving:** Region VI Director, ADDC Contest Chair  
**Year Joined ADDC:** 2009

**Current Job:** Owner/Safety/Admin at Spur Services LLC, Realtor at E-Towne Realty, Owner at Dirt Road Threads Boutique, but most importantly a wife and a mom.

**A little bit about you:** I was born and raised in Weatherford, OK. In 2003, I graduated high school and moved to Alva, OK where I attended NWOSU and met my future husband. In 2006, I graduated college and a week later married Charles. We moved to Enid, OK where I began working at Complete Energy. I spent the next 9 ½ years learning many different aspects of the oilfield from the safety department perspective. The last 5 years of my career with Complete, I served as a field safety coordinator. The best part of this position was interacting with the field employees and seeing day to day operations up close. In 2017, I left Complete Energy to focus on my family and other career options. The last 11 ½ years were spent finding my soulmate, creating our beautiful family and creating my niche in life. My world revolves around my husband, my daughter Bailey and my son Hudson.

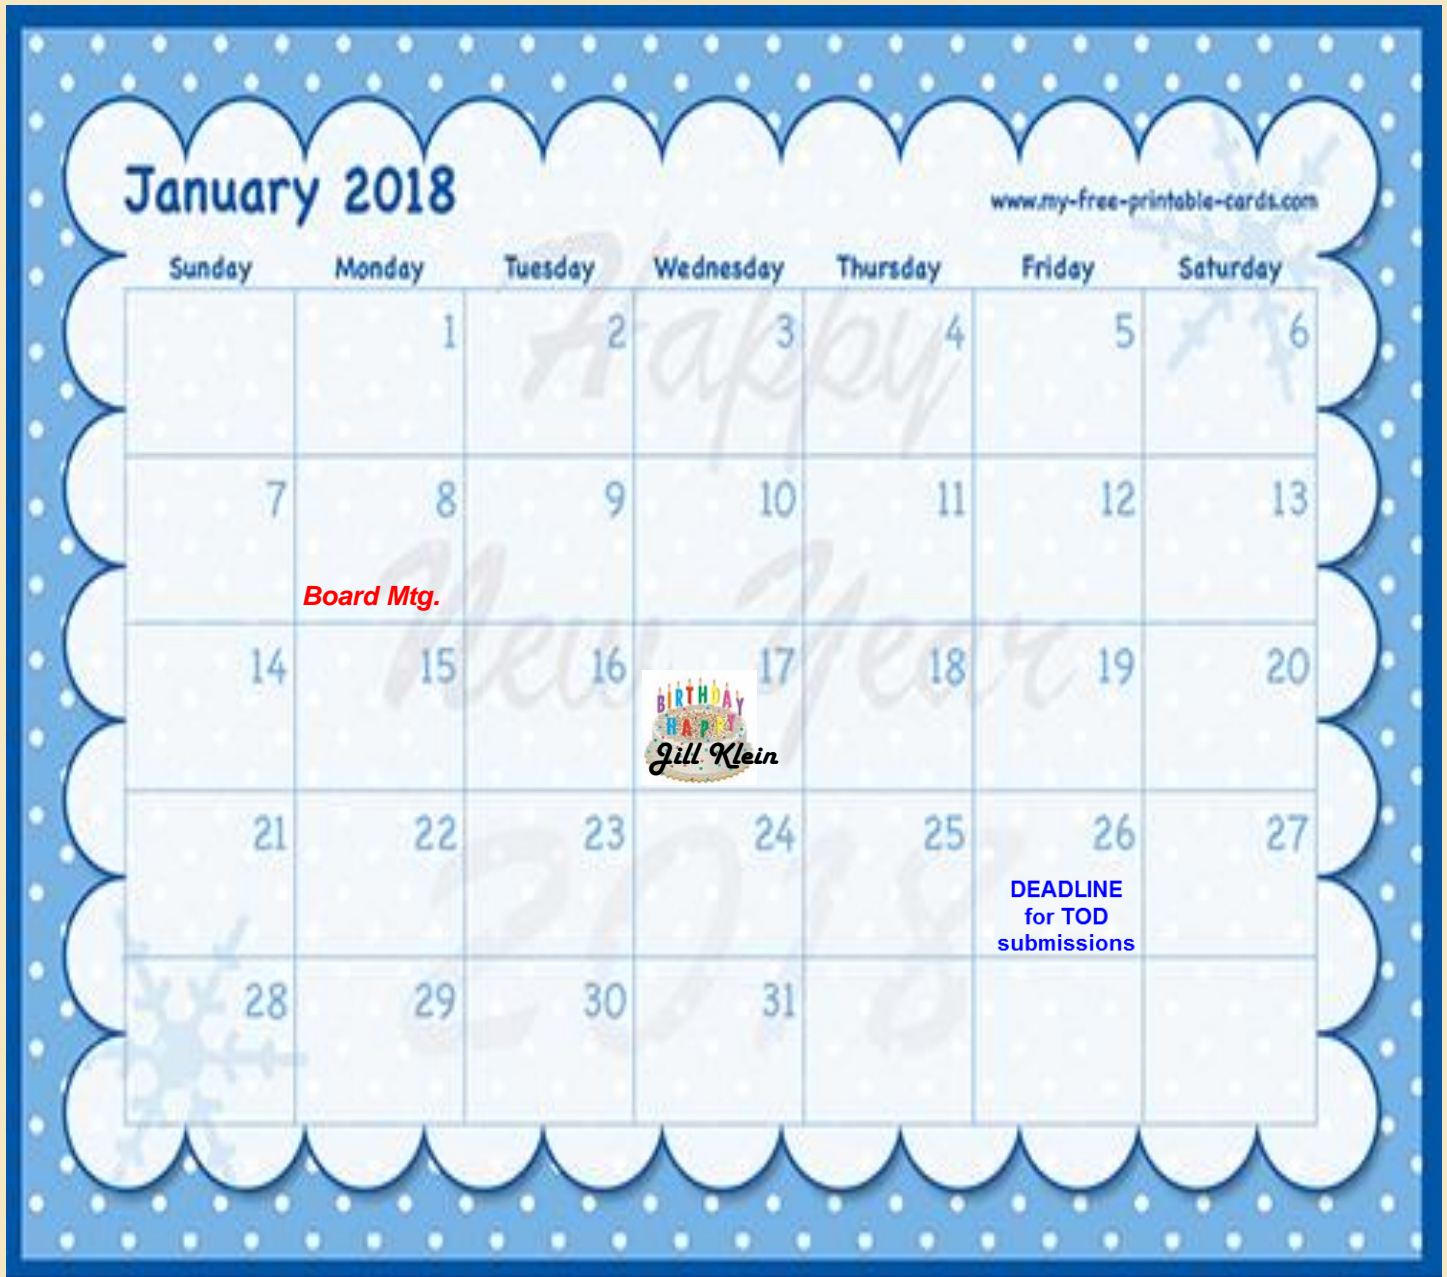

**Fun Fact:** My daughter attended her first Region VI meeting in Bartlesville in 2011 at the age of 1 month.

**Goals for 2018:** My goals for 2018 are many, but in a phrase "to take on 2018 like a Boss". This to me entails becoming the best RD I can be and serving my Region, help to unite and integrate the new ADDC changes, building my businesses, and be more involved with my family.

**Leave us with a quote or a bit of advice:** "Be stubborn about your goals, but flexible about your methods."
