BYPRODUCTS OF OIL

Vision 2012 Meeting

March 20, 2012 - 5:30 pm

The Desk and Derrick Club of Tulsa will host its **VISION 2012 Meeting** on March 20, 2012, at the **Spaghetti Warehouse Restaurant** in downtown Tulsa, **221 East Brady Street**, at 5:30 PM. VISION 2012 offers the opportunity to members to express their views, suggest changes, offer advice, and challenge the status quo.

Every member of our club is invited and encouraged to attend. In order for us to remain a vital, active organization in our community, we need your input, suggestions, and yes, even complaints! Change is part of growth, and without growth, the club will become stagnant.

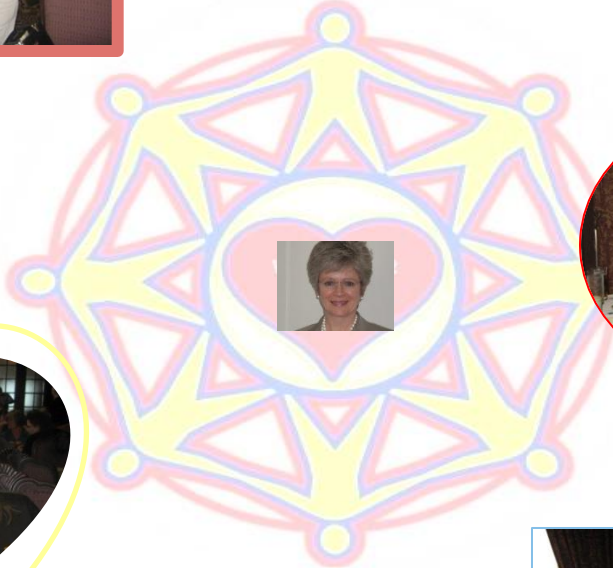

Your participation will help ensure that The Desk and Derrick Club of Tulsa will continue to offer its members the opportunity to grow in their professional and personal lives, increase their knowledge of our industry, and serve the community in which we live and work.

Please plan to join us on the 20th for this very important event. Food service will be available to anyone who wishes to order (Dutch treat). Please **RSVP** so we will have adequate seating available.

Membership Meeting @
Tulsa Country Club

**A RECAP OF BRENDA MICHAEL-HAGGARD'S PRESENTATION AT THE
DESK AND DERRICK CLUB OF TULSA ON FEBRUARY 8TH, 2012
"THE IMPORTANCE OF VOLUNTEERING"
BY ANGELA BUTLER**

...promoting, building, connecting, mobilizing!

Brenda Michael-Haggard of Volunteer Tulsa gave a very motivational presentation about volunteering in the Tulsa Area. She informed us of many fun ways to donate our personal time and services to those in need. The Club will be calling on Brenda to coordinate volunteering and fundraising activities in the near future.

In 2010 62.8 million Americans volunteered to help their communities.

Americans are coming together to solve the pressing challenges in our communities.

The national volunteer rate, 26.3%, reflects that volunteers gave 8.1 billion hours of service. Estimated economic impact + \$183 billion.

Greater Tulsa Area benefits from 231,661 volunteers, placing 32nd among mid-size cities with average volunteer rate, 30.9%, and average 21.9 million hours annually ; volunteers give 29.3 hours per resident while Oklahomans, overall, serve an average 32.9 hours per year.

People who volunteer are more likely to participate in other elements of civic life.

2010 national estimated value of volunteer time calculated at \$21.36 per hour = estimated Tulsa economic contribution of \$467.7 million.

Religious organizations remain most popular places for volunteers to serve: 42.6% for Tulsa Area volunteers, 42.8 for Oklahoma volunteers.

Young Oklahomans serve to help other people in need: 27.4% teenagers. 22.8% college students, 21.4% young adults.

Veterans are generally more involved in their communities than non-veterans.

Homeownership, commuting, education, poverty, and underemployment influence volunteering in every community. Communities with higher nonprofits per capita are likely to have higher volunteer rates.

February, 2012

Dear Desk and Derrick Members,

Welcome to March!! What a month is in store for you all. As most of you know, March is Desk and Derrick Awareness Month. It is a month designated to spread the word about the benefits of Desk and Derrick to co-workers and other employees of the energy industry and its affiliates. There will be an official proclamation issued from the Mayor's office to commemorate the occasion. We will have a special program in March—you won't want to miss it!!

Also, March is the time to start thinking about our Region VI Meeting to be held April 19-21 in Liberal, Kansas. I must say that I am truly AMAZED that with only nine Members and the help of our Region VI Director, Mark Loch, these Members are putting together a Region VI Meeting. I remember how much work was involved when we hosted the Region VI Meeting several years ago—and we were a Club of over 80 Members. They certainly deserve a LOT OF CREDIT!! You will find the registration package in the Bulletin starting on page ___.

Please do not be bashful about sending in articles to your Editor!! Don't hide your talent—feel free to share it with us!! If you have some information about our industry, then write up an article and submit it to Angela. Won't it make you proud to be able to tell other people that you have been "published"—WOW, that sounds very impressive!!

You all have a GREAT month. I look forward to seeing you and your guest at our March Desk and Derrick Awareness meeting. The meeting will be a dinner at The Summit on March 14th!!

Traveling the Routes
of Energy

Dear Region VI Members,

In April of 2010, on the way home from the 55th Annual Region VI Meeting in Great Bend, three members of the Liberal Desk and Derrick Club started brainstorming, to see if our small club of seven members could possibly put on a region meeting. As a product of that brainstorming and the addition of two new members, we along with Mark Loch, Region VI Director, are thrilled to be able to invite you to the 57th Annual Region VI Meeting April 19th – 21st, 2012 in Liberal, Kansas.

The official hotel will be Hampton Inn located at 508 Hotel Drive, Liberal, KS, phone number (620)604-0699. They offer a standard room for \$99 and suite for \$109.

Registration will be from 4:00pm to 6:00pm the 19th in the board room, located on the first floor of the hotel, as will be club sales and hospitality.

There will be a “Dutch Treat” dinner at Vargas Café located at 111 E. 15th Street between 6:30 and 8pm. After dinner, back at the hotel, we will have a “live” auction, with proceeds from this event to be split between the ADDC Foundation and ADDC Education Trust. Club presidents, please remind your members to send or bring an item they would like to donate for the auction...the more items we have, the more fun we will have, and the more money Region VI can contribute to ADDC.

Friday morning, there are two field trips to choose from. The first will be a 20-mile trip to Hooker, OK, where Tim Hedrick’s family-owned company, Earth-Tech will give a presentation on their analysis to help find production zones for a new well. Following the presentation, you will have time to lunch at an old-fashioned drug store, that has been converted to a restaurant, and do some shopping at Closet Treasures. The second field trip will be to the Conestoga Ethanol Plant, where you will learn how the plant converts 40 million bushels of grain to 110 million gallons of Ethanol per year. Please note long pants and closed toed shoes will be needed for this field trip. Included in this field trip is lunch back at the hotel and an opportunity for shopping in downtown Liberal. Or if you prefer, take a trip to “Dorothy’s House” or “Coronado Museum”, both located close to the hotel.

1

Friday afternoon offers three seminars to choose from – all located at Seward County Community College. The first, “Web Page Design”, given by Curtis Crawford. Second, “Internal and External Corrosion - What is it and how to prevent”, given by our very own Lonnie Broce, Fanshier Corrosion Service and Tommy Duncan, JACAM Chemicals LLC. Third seminar will be given by Ed Rutledge, Anadarko Petroleum on “One Calls”.

Friday night fun time will be at the Liberal Air Museum. We will have dinner catered by Billy’s Blue Duck BBQ, we’ll be playing a few games of “ALL AMERICAN FAMILY FUED”, so wear your patriotic best and be treated to a fun night! For an additional \$5, you will also have the opportunity to tour the Air Museum, which houses over 80 planes.

Saturday morning business meeting will be at Seward County Community College with our industry luncheon following. We have lined up another Desk and Derrick member as our speaker, Natalie Bright, from Canyon, Texas. After the business meeting, there will be an open forum to discuss possible proposed amendments to the ADDC bylaws.

Saturday evening will bring us to the conclusion of our Region VI Meeting with the AIMEE MERRIT and buffet dinner 6:30pm at the “Salty Dog”, located at 303 N. Kansas in the Landmark Center, downtown Liberal, Kansas .

We are anticipating with great joy the 57th Annual Region VI meeting, so get those registrations turned back into us by April 1st, and we will see YOU in Liberal, Kansas on April 19th – 21st! We are working hard with our preparations to ensure you will have an Oz-some time!

Sincerely,

Kay McKinley – GAC Co-Chair

March 2012
Letter No. 3

Dear Region VI Members;

I trust that everyone had a happy Valentine's Day and was able to spend some quality time with that special person in their lives.

The annual ADDC Budget and Planning meeting was held in Houston Texas in January. Many exciting plans for the 2012 year for the Association were discussed, and our future looks fantastic for 2012 and beyond. The highlights of the 2012 Budget and Planning meeting are available on the ADDC website or from your club president.

Hopefully by the time you read this letter all of our clubs in Region VI will have turned in their region dues and transmittals to our Region VI Treasurer Anna Lewis McBeth. If you have not yet done so, please do as soon as possible.

The Desk and Derrick Club of Liberal is continuing to work hard on the exciting plans for our region meeting to be held in Liberal Kansas April 19th thru 22nd at the beautiful Hampton inn in Liberal. The registration packets should be available on the ADDC website and through your club president by the time you read this letter. Please register for the region meeting early, as it is sure to be a great time of learning, networking and fellowship for all who are able to attend. I am looking forward to 100% representation of all of our great clubs within Region VI.

I have enjoyed reviewing the club bulletins and program reports monthly from all of our clubs in Region VI. It appears that all of you are having a good year and I look forward to all of the continued success of the clubs in Region VI. Program directors please be sure to turn your monthly program reports in to me by the end of each month.

I hope everyone has a fun and relaxing spring break and that you are able to enjoy all of the sights and sounds of the end of winter and the beginning of spring.

Have a great month and I will see all of you at region meeting in Liberal Kansas in April.

Sincerely;

Mark Loch
Region VI Director

dandd.judi@gmail.com

The year is off to a really great start! President-Elect Marilyn Carter, Treasurer Lori Landry, and I met with André Martin, ADO Manager, in Tulsa in mid-January and handled business items with the banks and ADO. We then met with the entire ADDC Board in Houston, where we held the annual Budget and Planning Meeting. We reviewed and discussed officer and committee reports and will be using the information gathered to plan the Association activities in 2012. We were also able to approve a balanced budget. The highlights of this meeting will soon be posted to the ADDC website (www.addc.org).

The Rules Committee has set February 10th as the deadline for submitting any proposed amendments to the Association Bylaws and Standing Rules. If your club or region has any suggestions for changes to the Bylaws and Standing Rules, be sure they are submitted by the deadline.

We've already gotten registration packets for some of the Region Meetings! Continue your travels on the Crossroads of Energy by attending the educational programs and field trips that your Region has to offer. Please support your region by attending – and taking advantage of the many opportunities to learn and grow as you travel the crossroads with Desk and Derrick. You may even consider visiting another Region:

- Region I April 26-29, 2012 Canton, OH
- Region II April 27-28, 2012 Carbondale, IN
- Region III March 28-31, 2012 Laurel, MS
- Region IV May 2-6, 2012 Ft. Worth, TX
- Region V April 26-29, 2012 Wichita Falls, TX
- Region VI April 19-22, 2012 Liberal, KS
- Region VII May 17-19, 2012 Denver, CO

March is officially Desk and Derrick Awareness Month and a great time for each of us to phone a friend or co-worker to invite them to a meeting. Spread the word with your local media; there are numerous opportunities available to advertise your club's upcoming events. Don't forget the ADDC approved ads that can be used in local publications; they are available on the ADDC website (on the Protected: Members Area). Share the news about our educational opportunities, community involvement, fundraisers, and the many things you most enjoy about being a member.

Be sure to mark your calendars for the region meetings and the upcoming 61st Annual ADDC Convention, hosted by the Red Earth Desk and Derrick Club in Oklahoma City, September 18-23, 2012. And, be sure to sign up for just-in-time e-mail notices for Convention updates at the dedicated website: 2012addcconvention.com.

Looking forward to our travels together!!

Editor's Letter:

Dear Members,

Much is to be celebrated this month! March is Desk and Derrick Awareness Month. It is a good time for tenured Club members to get nostalgic and share stories and pictures of past Club activities with us 'newbies'. It would be interesting as well to hear stories from members, new and old, telling what led them to join our Club and how they became involved in the petroleum industry.

Flo Messall of the Bartlesville Club, celebrated her 90th Birthday March 10, 2012. She will celebrate her 50th anniversary as a Desk and Derrick Member. Six Members of the Desk and Derrick Club of Tulsa celebrate March birthdays, including me!

The 57th Annual Region VI Meeting April 19th – 21st, 2012 hosted by the Liberal Desk and Derrick Club sounds like it will be entertaining. Being a cartography student, I am very impressed with the maps that are included in the registration package. I can tell that lots of care and consideration is being taken to make a great event happen. Please remember to register by April 1st.

Spring is here! Enjoy the fine weather that we are having. Have a Happy Saint Patrick's Day!

Sincerely,

Angela Butler
