The Desk and Derrick Club of Tulsa Monthly Meeting

Featured Speaker

Steve Kendall
General Manager
MindFull Training

Presenting
"Email and Web Security"

Today using email and the web securely is harder than ever. With groups running frauds such as impersonation, fake links and redirection, being aware of what you are doing is critical for all users both at home and at work. This presentation will help you identify when something is safe or suspect and what to do when you encounter these items.

Steve Kendall is a Tulsa native, who worked as the Director of AI Development for Wang Laboratories, then as part of the Senior Management team at Microsoft, before returning to Tulsa to become an IT instructor.

February 20th, 2019

11:30 am ~ Luncheon Buffet

Summit Club

The Desk and Derrick Club of Tulsa promotes the education and professional development of individuals employed in or affiliated with the petroleum, energy and allied industries. Visit us at: www.tulsadandd.net

PRESIDENT'S LETTER

Happy February to All,

You are seeing a whole new Tulsa club in 2019. In January, there was no meeting, everyone had time to recharge from 2018. The board and many volunteers took time to formulate new plans, improve some processes, and express their ideas. However, February is busy with a great speaker at the membership meeting and a fun Vision Happy Hour and/or Dinner. Budget will be finalized, Central Region Meeting and ADDC Convention will be making announcements.

There is one main focus that I hope each person will help with this year, and that is "marketing".

Marketing Desk and Derrick Club of Tulsa consists of reaching out to recruit new members, inviting former members back, asking companies for donations, and generally educating the community on who we are. To do this, you may have to step out of your box, we aren't restricted to just our co-workers. It takes creative thinking on how to reach people that will reap the benefits. Not only will the networking benefit the club, it benefits you and your career.

Marketing is using public relations and social media. There are guidelines to follow, but it is not difficult and most all of it is free. Feel free to ask if you aren't sure how to get started, you can find how to locate the Facebook and LinkedIn pages in this bulletin. You will see posts on the pages you can like, share, and comment.

There isn't anything better than face to face networking. Tell others about D&D wherever you may be, at a function, at lunch, at work. Bring guests to meetings or events, follow up later with that person or ask the membership chair to make a connection.

Bring your ideas to the Board of Directors or Chairs. If you hear of an event that we need to attend. If you know of a company we have not approached. If you know of an organization we could share ideas with. Do you have a community volunteer effort that is dear to your heart? Do you want to help with the scholarship that will be given in 2019?

Join us in this marketing push, join us at events, you will feel the excitement as the club makes a growth transition.

Jill Klein

February 2019

Expecting things to change without putting in any effort is like waiting for a ship at an airport. Put in the effort; be part of the change.

The 2019 Budget and Planning Meeting was a great success! You all need to know that the 2019 Board is very dedicated to you, the Association members. They each have a tremendous amount of personal leadership, enthusiasm and passion to bring to this Association.

At the Budget and Planning Meeting we did a lot of work updating our Strategic Plan. Christina Forth is in the process of finalizing and putting it all together for us. As soon as this is done, we will share it with you. It is very exciting and definitely taking us in the right direction.

The Rules Committee has set February 15, 2019, as the deadline for proposing amendments to the ADDC Bylaws and Standing Rules. If your club or region has any suggestions, please forward these to Val Blanchard at vblanchard@gmail.com, Rules Committee chairman, by the deadline.

Remember, March is Desk and Derrick Awareness Month. Start making plans to invite a prospective member to your next meeting and inform them of the invaluable educational and networking opportunities available. Share your passion and your excitement!

ASSOCIATION OF
DESK AND DERRICK
CLUBS

February 2019

Hello to all:

Month 2 of my journey has caught me by surprise. I would like to once more thank everyone for their support and advice in this new aspect of my life in ADDC.

My goal this year is to highlight the Presidents of the Central Region Clubs. I will be starting out with the President of my home club, the Graham club. Our president this year is Lanette Mills, This is her first time to serve as President and she has really stepped up to the plate. She joined the Graham Club in 2007. She has been an employee of Bryan Insurance Agency in Graham for 28 years. This company has been a big supporter of Desk and Derrick in Graham for a very long time. Lanette is married to Joel Williams and they share 2 children, Joshua (38) and Jessica (34). The light of their life is their grandson Bradley who turns 4 in April. She enjoys hiking and fellowship with her Desk and Derrick family. Her goal this year is to learn even more about the industry and pool our resources to increase membership. Yes, Lanette I have your back.

I will be highlighting (2) presidents each month from March through August since we have 13 clubs. The rest of the year I will dedicate to the association as a whole.

In January we had the Budget and Planning meeting in Tulsa, OK where we were able to trim down the budget to work toward making this a prosperous year for ADDC. We are currently negotiating a contract with a management company and hope to have it finalized by the end of this month.

Registration packets for the Central Region Meeting should be going out soon. The OKC club has been working diligently to get everything set up to make a very educational time for all. As I mentioned last month the meeting will be held April 11th - 14th, 2019 at the Aloft Hotel Bricktown in OKC. I have sent out a "save the date" notice to all presidents giving the rate information.

I am looking forward to meeting with club presidents and representatives of the Central Region this month to reacquaint everyone and discuss what we want to achieve this year to help the ADDC be a powerful and educational organization and a great representative of the oil and gas industry.

Mark your calendars for the 1st Annual Central Region and know that I look forward to seeing everyone there. Remember that the "key to Education is the Willingness to learn."

Sincerely,

*Connie Bass
2019 Central Region Director*

Field Trip

CRYSTAL DIGGING AT THE SALT PLAINS NWR

SHOVELS AND SUNSCREEN

Due to the white salt surface, it is easy to get sunburned. Sunglasses, sunscreen and protective clothing are recommended. Drinking water is not available at the dig site -- bring water and a change of clothes, digging is a messy venture.

**Saturday
May 4, 2019**
Depart 7:30 am
Return 6:00 pm

(Meeting location for departure to be announced later.)

Join the Desk and Derrick Club of Tulsa on this exciting geological adventure!

Plans are to rent a van for transportation to the Salt Plains. We will have a box lunch and drinks at the plains, then stop for "dutch treat" dinner on the trip back. Please contact Gay Wheeler, 918-214-6289, gwheeler62@aol.com, for questions or to register.

REGISTRATION DEADLINE – March 15, 2019

UNIQUE
HOURLASS

Salt Plains National Wildlife Refuge is the only known site in the world where unique selenite crystals with hourglass inclusions are found. Because these crystals form in wet soil, sand and clay, particles are included within the crystal giving them their unique "hourglass" shape inside.

How is it done?

1. Use a shovel to dig a hole about two feet deep and two feet across until you reach wet sand. You may feel the shovel break through the crystals as it goes down. This cannot be helped as there is no way of predicting exactly where a bed of crystals is located.
2. Allow two or three inches of water to seep in from the bottom.
3. Use your hand or a container to splash water gently against the sides of the hole. The agitated water will wash the soil away from the crystals.
4. When you find a crystal formation, continue splashing to wash it free of the supporting sand and clay.
5. At this stage of the process, the newly exposed crystals are wet and fragile so use great care removing them.
6. After removing crystals from sand, place them where the sun and wind will dry them. Egg cartons or other containers are recommended for transporting the crystals.

The Desk and Derrick Club of Tulsa Monthly Meeting

Featured Speaker

Dawson Brotemarkle

Associate with Hall Estill

Presenting

"Production Revenue Standards Act"

Mr. Brotemarkle specializes in oil and gas litigation and has taken part in defending numerous claims brought under the Production Revenue Standards Act ("PRSA"). This presentation will highlight the key obligations imposed by the PRSA (which has greatly affected Oklahoma's oil and gas producers and first purchasers) and steps that can be taken to avoid costly litigation resulting from a failure to comply with its requirements.

Tulsa News

In Loving Memory

In memory of Mary Zartaludes long time Tulsa Desk and Derrick member, Mary Zartaludes passed from this life on Friday, January 25, 2019 at her home in Sapulpa at the age of 90.

Mary was born on June 4, 1928 in Sapulpa, OK to James and Alexandra (Felactu) Zartaludes. Mary graduated from Sapulpa Central High School and attended Oklahoma A & M majoring in Finance. After school she held positions with ONG, AMOCO and retired from Telex. Mary was a longtime member of Holy Trinity Greek Orthodox Church and always looked forward to helping with the annual Greek Festival in the fall.

thinking of you

Please keep member, Kay Williams and husband, Myke Williams in your thoughts and prayers. Myke had heart surgery last month and is in ICU in Oklahoma City. He is recovering as Kay says in "baby steps". Let's hope for the speediest recovery!

MARCH 15-16th, 2019

The Tulsa Irish Festival is an experience you don't want to miss!

People with their families, young and old, come from all over dressed in their best Irish colors to enjoy the sounds of authentic Irish music, traditional Irish dancing, a wide variety of handmade goods, and of course, some very tasty treats as well!

Sponsors include several oil and gas companies in Oklahoma, including Citizen Energy, Hall Estill, Laredo Petroleum, Rebellion Energy, and Rimrock Resource Operating.

VOLUNTEERS NEEDED:

Would you like to help make this festival awesome? You can sign up to be a volunteer

@ <https://www.tulsairishfest.org/volunteers/> .
