## PRESIDENT'S LETTER

Members,

I am happy you were a part of the **We Are Tulsa Energy** year, and you can look forward to the **Energy** that carries over to next year and creates more learning, more events, and more fun.

You were a big part of the group of dedicated members with a common goal. **We** learned with each speaker, meeting, field trip, social and more.

You **Are** the spirit of Desk and Derrick, you **Are** the spirit of **Tulsa**.

**Tulsa's** rich history is rooted in **Energy** industries. **We** learned of that industry history with two speakers this year.

It doesn't matter what tasks we perform; we contribute to the workings of day to day operations. There is a pride for energy services and products our industries provide, therefore **We Are Tulsa Energy** proud.

Desk and Derrick each year continues to amaze me with the volunteers that step up and get the jobs done. I want to thank each and every member that contributed what time they could spare. I thank the ones that helped others when their career or personal life needed to take priority. That is another special trait of D&D members. It was a pleasure to serve with you this year.

There were big changes this year and we made them work for our club. ADDC changed also and the transitions are going well.

As I pass the gavel on to Alesia Bailey and her awesome board, I want to express my biggest wish for 2020. I would like to see the club expand to all energy industries, midstream, service companies, utilities, etc. All of these companies are right here in Tulsa and they could benefit from the value of Desk and Derrick..

Have a Merry Christmas and safe Holiday!

*Jill Klein, 2019 President*

December 2019

It is with mixed emotions that I write this, my final letter, as your 2019 ADDC President. I began this journey in 2013 when I served as the Region IV Director. I have enjoyed this year so much; I don't want it to end. Yet, I look forward to serving with next year's Board to see what new and innovative things we can accomplish.

What an amazing journey this has been! The 2019 Board of Directors has been a joy to work with and I have really appreciated the positive attitudes and open minds of each and every one. We have worked together as a team and I am proud of what we have accomplished. I must thank Marilyn Carter, my parliamentarian, whose advice and guidance has been invaluable; she has kept us on track this year.

Thank you, the members, for your contributions this year. Whether you served your club, region or the Association as a member, a member of the Board or on a committee, you made a difference by the choices you made. Each individual must decide for themselves what their level of commitment will be. If you want to be involved, there are many mentors out there willing to help and guide and support. All you have to do is reach out and ask.

There are a few items of business we need to address before we end our year:

1. After your 2020 officers are elected please remember to submit Form ADO31 to ADO with a copy to your Region Director.
2. Remember, the deadline for Contest entries is December 16, 2019; entries MUST be postmarked by this date. The updated forms have been posted to the website.
3. Membership renewal forms will be going out soon. Please review the information listed on your membership form and make necessary corrections before sending it in. This helps to ensure that you get the information you need in a timely manner.

Desk and Derrick is a great organization and my hope is that we continue to grow and prosper in the future. Please remember to STEP UP and get

involved in 2020 by offering to volunteer within your club, region or the association. Let's support the new Board as they begin their journey in 2020.

Once again, it has been an honor and a privilege to serve you and I will treasure the memories forever. I do hope that each one of you has a wonderful holiday season and may you continue to be blessed with good health, happiness, joy and peace. Our health, abundance and happiness are priceless gifts and may we be grateful for each one.

In closing, at this most joyous time of year, I wish you and yours the Merriest of Christmases and wish you all the promise the New Year has to bring. I leave you with this quote:

*"It's not how much we give but how much love we put into giving." - Mother Theresa*

*Terry*

December 2019

As we approach the end of the year please take the time to reflect on all the things we have achieved in ADDC. Updating forms and guidelines for all of the committees has proved to be a chore however the committee with help of board members are well on the way to getting this achieved.

The new website will go live very soon and will certainly prove to be more user friendly. Renewal applications for 2020 should be sent out to all current club presidents by December 15th.

● Reminder that the contest entries are to be received postmarked no later than December 16th, 2019. I will send the updated forms and information on how these forms are to be submitted.

● New committees for 2020 are still needing representative volunteers. I will be sending an updated committee listing to the current presidents very soon and encourage everyone to step up in 2020 and become more involved on the club, region and association level.

Please be thinking about nominations for Region director for 2021. These must be received 60 days before the region meeting is held. As Region Director this year I have definitely felt challenged but it has been a rewarding experience and I cherish all the new and not so new relationships that I have obtained.

Be blessed in knowing that you are all unique and special to me and that in 2020 and in years to come that you all hold the key to the growth of ADDC.

And as always remember this--- "The Key to education is the Willingness to Learn"

Sincerely,

*Connie Bass*
